

## Does Your Workplace Need a New Script? Take this quiz!

1.  True  False Gossip is an ordinary and accepted form of communication.
2.  True  False Management rarely appreciates or encourages new ideas.
3.  True  False There is an atmosphere of secrecy and hidden agendas.
4.  True  False Workaholism is not only accepted, but encouraged.
5.  True  False Competitiveness and power struggles are rampant.
6.  True  False Individuals and departments protect their turf fiercely.
7.  True  False Discrimination (sexual, racial, age, weight, etc.) is common.
8.  True  False Lower-level workers walk on eggshells around management.
9.  True  False Unethical and dishonest behaviors are occurring.
10.  True  False Work is not a pleasant and energizing place to be.
11.  True  False Open and honest communication between lower and upper strata is nonexistent.
12.  True  False White lies, petty theft, and workplace absences are common place.

### Scoring:

Tally up the number of True answers. If your score is:

- 0 – 4 Let the show go on, but work on the rough areas.
- 5 – 8 This is not a healthy work environment. Your organization needs training for a cultural change.
- 9 – 12 Your workplace story is a tragedy. It's time for serious leadership training and organizational restoration.
