

# Creating Harmony in Today's Medical Office

## *In-House Seminars*

### Results of Workshop:

- Create an environment of trust and respect in which people can perform at their full potential.
- Build teamwork, cooperation, and synergism.
- Extend outstanding customer service from dedicated, caring employees.
- Expand productivity, creativity and profitability of team members.
- Reduce fear, gossip, blame, power struggles, rivalry, personal agendas, greed, and paranoia.
- Create open and honest communication.

**You may have seen Danna's program for office managers in your area. Now you can have in-house seminars for your entire office staff!**

**Danna Beal, M.Ed., Speaker and Author**

### Format: Half Day, One-Day or Weekly One Hour Workshops

Four parts of Workshop:

1. Presentation of concepts with interaction from audience.
2. "Personal Restoration Plan" workbooks that include eight weeks of:
  - Practices to demonstrate learning in the workplace setting.
  - Steps for eliminating the blocks and barriers to authentic power.
3. Small group written exercises and sharing.
  - Starring role profile.
  - Ego analysis worksheet.
  - Facing the enemy exercise (understanding source of conflict).
4. Group discussion to share insights, experience, and applications in the workplace.
5. Optional follow up sessions for on-going progress and full integration of the program principles.

**Credentials:** Danna Beal, M. Ed. is an international speaker and author of Tragedy in the Workplace: The Longest Running Show in the Country. She has been the keynote speaker on "Leading with Spirit and Compassion" for over 300 businesses and organizations. Her work includes the following industries: CPA and law firms, car dealerships, hospitals, medical practices, banks, chambers of commerce, retirement centers, government agencies, retail, & non profits, to name a few. In addition, she has been on over 50 radio & TV shows and has articles in multiple publications. Beal was recently the marketing director for Radia Medical Imaging and Vascular Surgery, the largest radiology and vascular surgery practice in the Pacific Northwest.

*"Danna Beal's book gives a much needed message to business leaders on how they can reach genuine success by creating environments of trust and compassion."*

**-John Gray, Author, "Men are from Mars, Women are from Venus"**

*"Danna's candid insight on issues facing the workplace is both timely and necessary. Companies that are able to take your information and infuse it into their values will be far ahead of their peers. In addition, they will have the satisfaction to know they have groomed a team that exemplifies trust and respect for one another. It doesn't get any better than that."*

**-Keith Arnzen, CEO, Medical Imaging Northwest**

*"I totally agree with Danna. My experience is that we cannot separate the lives we live at home or at work. I truly enjoyed reading Danna's book and feel that I am already incorporating some of her principles in my daily work. It is a very inspirational book."*

**-Anders Bergland, IKEA, Co-Owner, Seattle, WA**

*"Danna Beal's book puts relationships in the workplace under the microscope and offers practical, helpful, spiritual nuggets as ways of healing the workplace."*

**-Gerald Jampolsky, M.D., Author, "Love is Letting Go of Fear" and "Shortcuts to God."**

*"Reading "Tragedy in the Workplace" could just be the solution to bringing harmony and peace to the workplace. It's an important book."*

**- Wally Amos, Author, "The Cookie Never Crumbles: Inspirational Recipes for Everyday Living."**
